Hi Lindsey,

Note that OMB has been in contact with OP through Bill Nickerson. In addition to Chapter 1 (attached), OMB wants your working RtC document covering Chapters 2-21 broken into three parts. I can ask the contractor for support to do that as needed.

Thanks,
Bennett

Hi Bennett,

Can you please break the RtC document into 3 pieces for ease of upload?

Thanks,
Lanelle

FR notice attached. ROCIS is open for amendment. Would you please upload this as soon as you are able.

I understand the RTC doc will follow and is around 1700 pages. We should ask ORD to break that document into 3 pieces to reduce the chance of upload problems with such a massive file.
